WHEN SCHOOL IS OUT THE Y IS HERE!

With Warrick County Schools starting Christmas break a little earlier than expected, the Y is here to provide care on December 20th and 21st to parents who need it! The Y will be offering all day care from 6:30am-6:00pm at 4 centralized schools. These schools include Castle, Sharon, Loge and Lynnville. You must be a Warrick County Elementary student to attend, however, you do not need to be a student at the school you choose. For example if your child goes to Newburgh Elementary you can choose the Lynnville location. If the spots fill quickly and you need care please put your child on the waitlist, this will tell us that we need to open up more spots, and we will, if we have the ability to do so.

HOW DO I REGISTER?

If you do not already have an account with the YMCA you will need to create one. Click on the school name below that you would like to register for, then select create an account. Be sure to add your child's name and information to your account and when you are ready to select your product make sure that you are shopping for your child and not yourself.

If you already have an account with us you will just click to add to your cart and proceed to check out!

Families that register for the program will receive email correspondence regarding specific information the week prior to care.
