

YELLOW - HYBRID

Warrick County School Corporation will move to Level Yellow (a mandated mix of distance learning and onsite learning) when the Warrick County Health Department or Superintendent Schneider deems it necessary based on current COVID-19 data.

*It is possible that some schools, grade-levels, or classes may move to Yellow while others remain at Green.

*All protocols listed under Level Green will remain in effect for those schools, grade-levels, or classes that remain onsite.

*The exact Level Yellow schedule will be determined based on the current situation and communicated to parents at that time.

Grades 9-12 will be moving to Level Yellow beginning November 30, 2020 - December 18, 2020.

- Instruction will be delivered in a virtual format.
- Students who are able to get their needs met in this format and have the internet capability to do so may log in from home to receive daily instruction.
- Buildings will remain open for the following:
 - students who need to utilize internet connectivity
 - students whose needs are better met attending onsite
 - students requiring intense interventions
- Students attending onsite will be placed in an assigned area where:
 - they will be appropriately socially distanced.
 - they will remain for the day as opposed to switching classes.
 - they will virtually follow their class schedules.
 - they will utilize their device to log in to instruction.
 - they will require headphones to use with their device.
 - they will have scheduled breaks throughout the day.
- Teachers will deliver instruction virtually from their classrooms.
 - Exception: students onsite that require intensive interventions will report to their normal classroom or specified area determined by the building-level education team.
- Transportation and meals will be provided as normal for those attending onsite.
- Grab and Go meals will be provided for all virtual students. Additional information to sign up for meals will be sent at a later date.

All other grade levels (K-8) will remain status quo in Level Green.
