WORD OF THE WEEK:

The agenda book word of the week is inter – bury. *The interment is always conducted with ceremony appropriate to local cultures.*

WORDS OF WISDOM:

We've talked many times before about Albert Schweitzer and what a great humanitarian he was. Here's another pearl of wisdom from this great man: "You must give some time to your fellow human beings. Even if it's a little thing, do something for others – something for which you get no pay but the privilege of doing it."

This summer, look for ways to serve others. Volunteer at a community hospital or soup kitchen. Do something special around the house for your mom or dad or caregiver. Help an elderly neighbor with a chore. When we give time and serve on another, everyone wins and the world's a better place. Remember Albert Schweitzer and give some of your free time to others. Make it a great day or not, the choice is yours. (Project Wisdom)
