

Instructions for Student Drop Off & Pick Up at CNMS

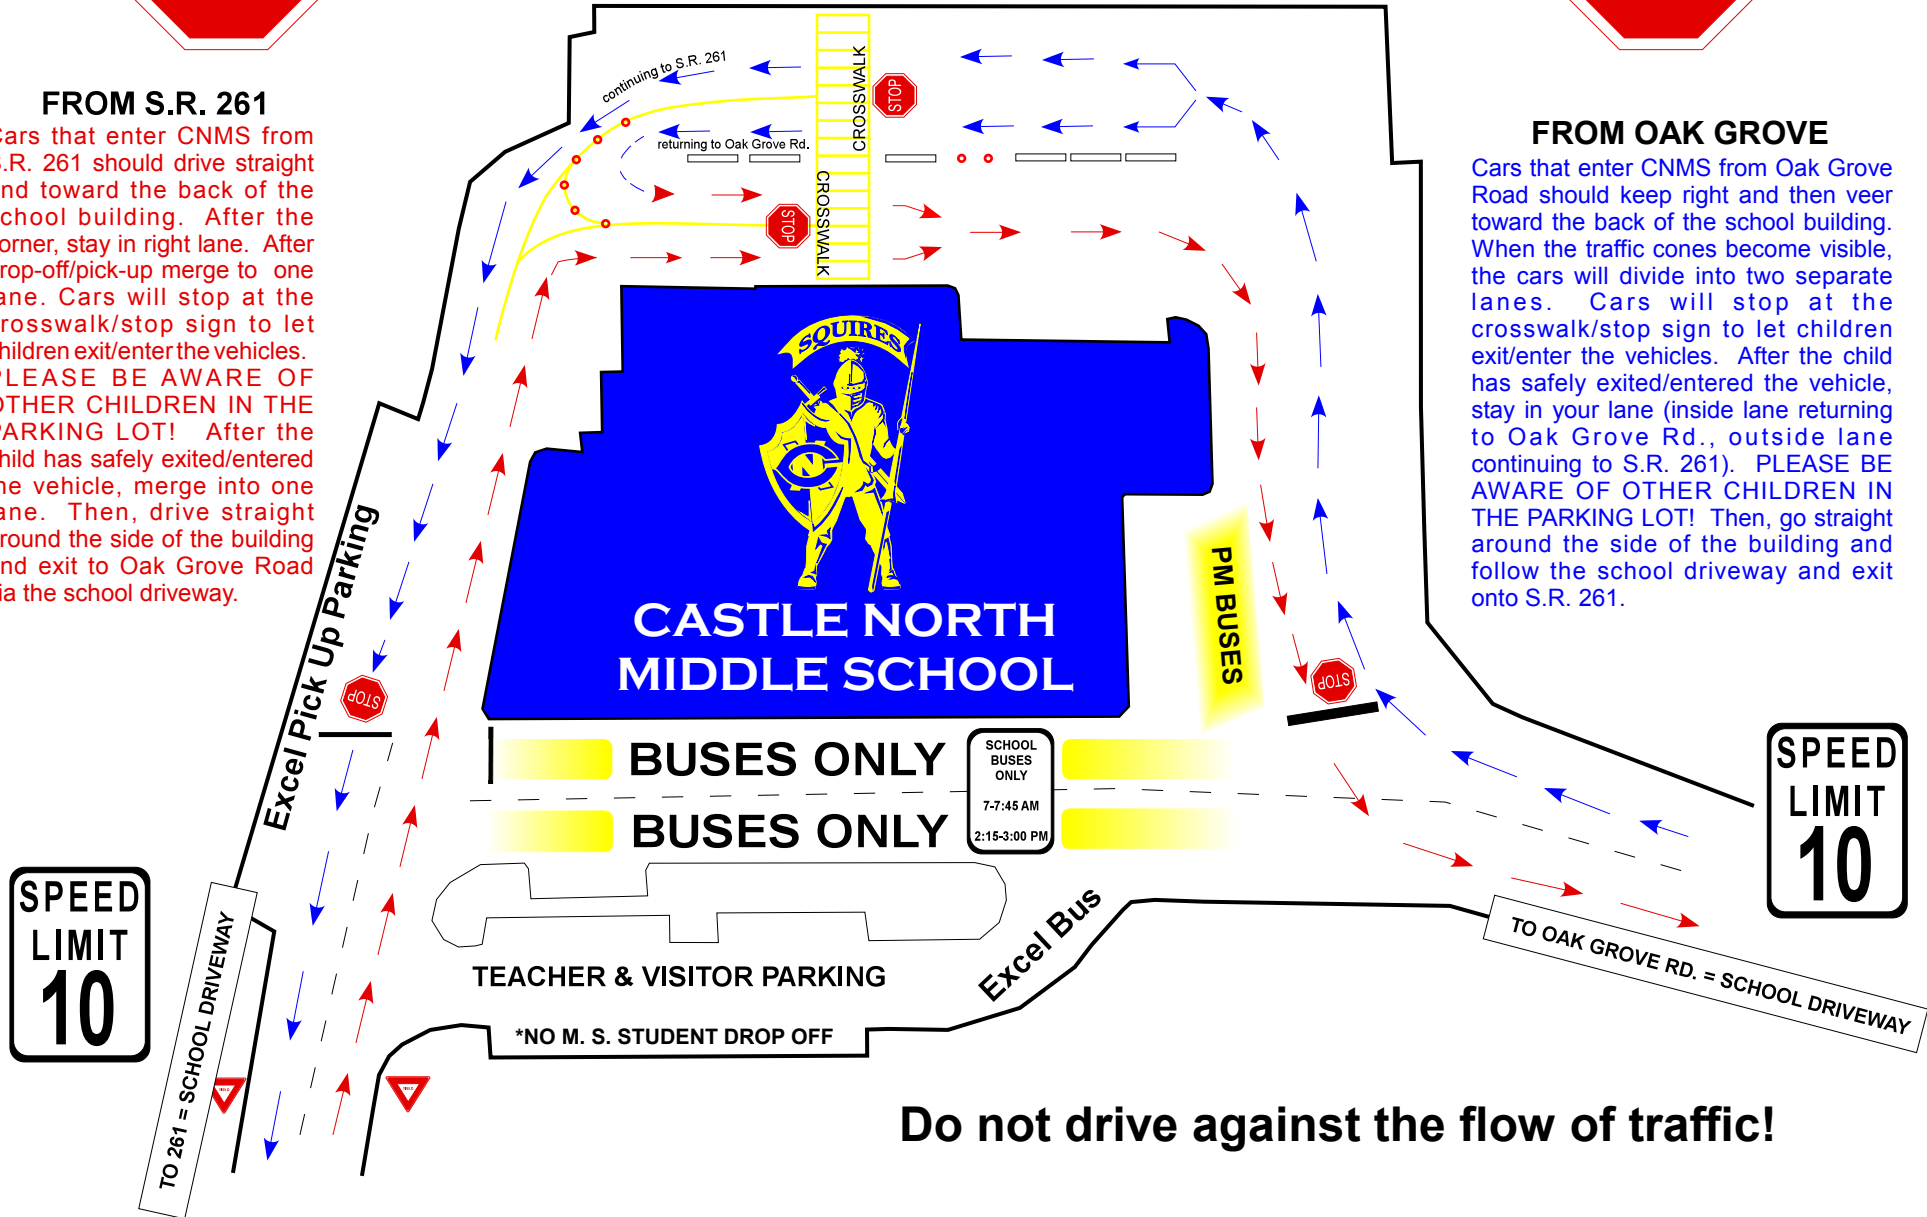

Please do not allow your child to exit your car anywhere but at the crosswalk. Exiting any other place in the parking lot could be very dangerous to your child!

FROM S.R. 261

Cars that enter CNMS from S.R. 261 should drive straight and toward the back of the school building. After the corner, stay in right lane. After drop-off/pick-up merge to one lane. Cars will stop at the crosswalk/stop sign to let children exit/enter the vehicles. PLEASE BE AWARE OF OTHER CHILDREN IN THE PARKING LOT! After the child has safely exited/entered the vehicle, merge into one lane. Then, drive straight around the side of the building and exit to Oak Grove Road via the school driveway.

FROM OAK GROVE

Cars that enter CNMS from Oak Grove Road should keep right and then veer toward the back of the school building. When the traffic cones become visible, the cars will divide into two separate lanes. Cars will stop at the crosswalk/stop sign to let children exit/enter the vehicles. After the child has safely exited/entered the vehicle, stay in your lane (inside lane returning to Oak Grove Rd., outside lane continuing to S.R. 261). PLEASE BE AWARE OF OTHER CHILDREN IN THE PARKING LOT! Then, go straight around the side of the building and follow the school driveway and exit onto S.R. 261.

Do not drive against the flow of traffic!
