Campaign for Castle North

Last week a letter came home for our single fundraiser for the year, Campaign for Castle North! We are raising money through a check writing campaign for three big projects this year. We plan to polish the gym with an Orange Moon mural to be completed over Christmas break, the addition of two 50" TV monitors for the main office and in collaboration with the counseling department, we are funding a nationally recognized speaker, Chad Hymas, who will address the students on December 3. More information about Mr. Hymas can be found at www.chadhymas.com. Please be generous in your financial contribution in support of our wonderful school.

Thank you in advance, Mrs. Renschler, PTO President

Castle North Parents Rock!

Thank you to all the parents, CNMS teachers and staff who helped out with the Tailgate Party last week. We had beautiful weather and an amazing time hanging out after school before the football games. I heard many compliments on how great our students are at Castle North and how polite and patient they were going through the pizza line. A big thank you to all the parents for raising respectful kids!

generationOn Toy Raiser

The CNMS generationOn Toy-Raiser was a huge success. Thanks to the efforts of our club members and generosity of our community, toys valued at more than $3500 will be donated to organizations that serve children in the Tri-state area. Approximately 150 toys and games will go to Lampion Center, Ark Crisis Center, Albion Fellows Bacon Center, Tri-cap Head Start, and Holly's House.

The toys will be distributed to most of the organizations on Wednesday, October 28. A representative from Holly's House plans to come to CNMS to pick up their toys and games at 2:30pm. We will be making deliveries to Lampion Center, Ark Crisis Center, and Tri-cap Head Start from 3:00pm until 5:00pm. Students who participated in the Toy-Raiser are encouraged to join the fun of sharing the toys. The director at Ark Crisis Center has even offered to take our students on a tour of the facility. We will travel by school bus to the organizations requesting delivery.

The permission slip (attachment) is due to Mrs. Short by the noon on Wednesday, October 28.

Personal orders went out last week. If you have not received an order or have a question about an order, please contact Mrs. Short. (dshort@warrick.k12.in.us)

Allison Silletto, our Discovery Toys consultant, did an awesome job of guiding us through the process. On top of that, Allison donated 10% of our sales back to our club. That's $350 for our club to use toward future projects! Contact Allison at allisons.discoverytoys@gmail.com if you have toy needs in the future. She is eager to help with additional toy-raisers/fundraisers for other organizations or help with personal home parties.
