Snow Day Assignments

Grade 4-5

Complete one activity from each row per snow day. This choice board is due upon your return to school. Parents-please verify by signing and dating the boxes that your child completed (one from each row). One snow day = one activity from each row; two snow days = two activities from each row, etc.

Content Knowledge						
<p>1. Take a collection 10 eating utensils (forks, spoons, and butter knives). <u>What is the fraction amount of spoons? Forks? Knives?</u></p> <p>Optional: Can you write the fractions in simplest form? Can you come up with equivalent fractions?</p>	<p>2. Using the fractions from number 1. <u>Write and solve a story problem describing the fractional amount of spoons.</u></p>	<p>3.Listen to a picture book read aloud online (ex: youtube or storylineonline.net)</p> <p><u>Write who were the characters, setting, problem and solution or the moral of the book.</u></p>	<p>4. Find an online menu to a local restaurant. Calculate how much it would cost for you and three friends to have dinner.</p> <p>1. Choose three different entrees, drinks and if there are sides or additional items you would want.</p> <p>2. Find the total for all four people to eat dinner. .</p>	<p>5.Find an online menu to a local restaurant.</p> <p>1. Calculate how much it would be per person if the bill were split evenly among the four of you?</p> <p>2. For an added challenge add an appetizer or dessert into your total cost and split between the four of you.</p>	<p>6. Find a comfortable spot, take a blanket, a pillow or stuffed animal, and a book. Settle in and read or listen to your book for at least 30 minutes!</p>	<p>7.Create a birthday gift wish list. List 2-5 items. On this list use your five senses to describe the item and add up the total cost for your birthday wish list.</p>
Communication						
<p>8. Ask a caregiver about some of their favorite music from when they were your age. Find a way to listen to one of the songs they liked.</p>	<p>9. Write a persuasive essay convincing your school principal to make a change in your school.such as adding or removing an item from the lunch menu, a new piece of recess equipment, or no school work on snow days.</p>	<p>10.Create a youtube video to your classmates about what you are doing on your snow day. Share it with your teacher!</p>	<p>11. Write a letter to your favorite character in the book that you are reading. Ask them any questions that you may have for them. Tell them how you feel about some of the choices that the character made throughout the book.</p>	<p>12. Make a greeting card for a neighbor. Take a short walk and put it in their mailbox.</p>	<p>13. Write a letter to your favorite author. Ask them a few questions about anything you want to know. Tell him /her your favorite book that you have read by them and why it is your favorite. Use the letter format.</p>	<p>14.What emojis would you suggest your favorite social media platform should add? Explain why.</p>
Creativity						
<p>15. What is your favorite part about a snow day?Use a page of paper to draw your favorite things on a snow day. Use lots of color and the FULL page.</p>	<p>16. Create a postcard illustrating a special place in your town. On the opposite side, include a caption to describe the illustration and a message explaining why the place is special to you. Next, address the postcard to a relative or friend and send it in the mail.</p>	<p>17. Create a homemade instrument and record yourself playing it via phone, tablet, youtube. Share with your teacher!</p>	<p>18. Choreograph a dance to a favorite song. Come up with written instructions for teaching it to others using words and illustrations.</p>	<p>19. Create a map of your dream bedroom. Remember money is no object. Show where everything would be. Include a description of each object.</p>	<p>20. Create your very own restaurant. Pick a name, create a menu, and decide the location.</p>	<p>21. Create your very own store (clothing, antiques, comics, etc) design the interior floor plan and design the store front.</p>

Critical Thinking

22. Find a board game. How many squares can you identify? Add a new rule to the games and play with a family member.	23. Research 1 National Park you would like to visit. Plan your road trip! 1. How long will it take to get there and back? 2. Calculate the total number of miles to get there and back. 3. In your opinion when is the best time of day for you to travel there and return back home?	24. Make a list of five different features a robot would need to be able to put a roof on a house. Draw and label your robot and its features.	25. Design a new product to help you on your snow day. Draw and label the product, what is its purpose, how much would it cost, and why should someone buy it?	26. Think of your favorite candy, if you have it, put it in front of you for a visual. Describe this candy from the perspective of someone who hasn't had candy in five years.	27. When you are eating a meal or snack, look at the nutritional facts. Check the serving size. Figure how many boxes /packages/ bottles you would need to feed your family.	28. Go outside and move around! Make a snowman or snow angel and time yourself. How long did it take? 1. How long would it take you to make 5? 2. How long would it take you to make 10?

Collaboration

29. What are your favorite teams? Either teams you have been on or love to cheer for during the season. Discuss with a friend or family member why you like those teams and what made them great to be part of.	30. Contact an older relative or family friend. Ask about their experience of living through a historical event of the past.	31. Email or text a thank you note to a friend, family member, or teacher that has done something nice for you recently.	32. Introduce a family member or friend to a new online video game. Explain the rules and object of the game to them.	33. Create a weather report for today with tech (ex: powerpoint) or a video with posters/artwork. Involve friends or family members.	34. You just won the lottery! Work with your family to design a new backyard! Make sure your plan meets the needs of all family members and pets!	35. Have an indoor picnic. Create a menu and work together to prepare the meal. Sit and enjoy your meal together.
