NEWS.....

from the **PRINCIPAL**
Valentine's Day at NES

re:

*With our focus on better nutrition and a healthier lifestyle, we will not be permitting any students to hand out **ANYTHING EDIBLE** during Valentine's Day at school. We don't have a set class party for this holiday, but I know most classes exchange Valentine cards.*

*Every student will be taking part in the Healthy Heart Walk/Run on Valentine's Day at NES!
Please see the attachment.*

With temperatures dropping, please remember to dress appropriately for the weather. Students will be outside for Walking Club and Recess if windchill or "feels like" temperature is above 20 degrees. This includes warm coats, hats, and gloves!

Bundle Up!
