

CHARACTER COUNTS!

Sammie Ausenbaugh is our Character Counts winner of the week. Sammie was nominated by Mrs. Kerchief for exhibiting the character of fairness. Sammie has a great understanding that all students have different needs with school work or activities. Sammie is the first one to help with their needs and never complains that someone else may be getting extra help. Sammie has the character trait of fairness that NES is proud of. Sammie received the Beef "O" Brady's free kid's meal along with Character Counts bumper sticker, bracelet, and the backpack key chain for being this week's character of fairness.
