

ISTEP+/IREAD-3 INFORMATION

Parent Information about ISTEP+ and IREAD-3

Important ISTEP+ and IREAD-3 Information

Students in grades 3-5 will participate in ISTEP+, and third grade students will also participate in IREAD-3 testing in the spring. Please be aware that the ISTEP+ testing session has been split into two testing sessions; one testing window in February to March and one testing window is April to May. The IREAD-3 testing will be held in March over four days. Students need to be present each day, but attendance is especially important during the testing sessions. Please make all doctor and dentist appointments on dates that are not testing dates. Thank you!

Testing Dates for ISTEP+ (Grades 3-5 Students):

ISTEP+ Part 1-February 26, 2018 – March 9, 2018

AND

ISTEP+ Part 2-April 16, 2018 – May 4, 2018

Testing dates for IREAD-3 (Grade 3 Students Only):

March 12, 2018 – March 16, 2018

Testing Times for ISTEP+ and IREAD-3:

We typically test between 8:30 a.m. to 12:00 p.m. daily, but multiple choice testing may carry into the afternoon.

Parents, please help your children do their best by making sure your child:

- Gets plenty of sleep each evening
- Has breakfast each morning
- Is at school on time each day
- Has any appointment schedule after 12:00 p.m. on testing days

We appreciate your help every day, but especially during testing!

ISTEP+ and IREAD-3 Test Results:

IREAD-3 test results will be sent to the school in April. The school will advise the parents of the results.

Parent will be able to access ISTEP+ results by visiting the ISTEP+ Parent Network on the Internet. Parents will receive their login information from the WCSC once test scores have been delivered to the schools. Once parents receive this information, they can go to the website listed in the information to view the results of their children in grades 3-8. All parents will receive paper copies of their child's ISTEP+ and IREAD-3 scores as well.
