Attendance Policy

(Refer to W.C.S.C. Handbook in Student Agenda Book)

- (1) Parents should call the school (858-3422) on the day of student absence for any reason. This phone number is a 24/7

voicemail line. When a child returns to school after being absent. Doctor's notes should be sent to the nurse if available.

- (2) Doctor or dental appointments are excused absences with a note.
- (3) Any student who is absent or tardy (excused or unexcused) will not be eligible for perfect attendance.
- (4) Students may not leave the school grounds without permission of the office staff.
- (5) Parents/guardians wishing to take a child out of school before regular dismissal time MUST sign out their child in the office.

Tardy Policy

Seeing that your child arrives on time is a very important matter. When a child enters a classroom late, the teacher must stop proceedings and attend to the child who is tardy. This disrupts the learning process for the other students and causes unnecessary delays in the education process, not to mention depriving the tardy student the opportunity to organize materials, socialize with friends, and receive all the needed information to develop the concepts of the lesson. Therefore, any student who has not reported to his/her homeroom by 8:25 A.M. shall be counted tardy. Being late from the cafeteria for breakfast is not an excuse for being tardy.

The following procedure will be used for those students with continuing instances of tardiness:

Times Tardy & Consequences

10=A letter will be sent home from the principal.

Students who report to school or class late will receive a reasonable penalty (loss of recess time, etc.) as established by the school.

Lunch at Home or off-site

Students going home or out for lunch must have a parent notify the office, and the student must be picked up by the parent. Students arriving back to school late from lunch off-site will be counted tardy. Students may enter the school grounds to participate in lunch recess activities but should use the front entrance upon returning to school to properly check-in with the office.

Homework/Absentee

When your child is absent and you will be requesting homework, please be sure to call the office at 812-858-3422 before 9:00 A.M. Please do not email teachers for homework requests. After you call we leave messages for teachers to read during their lunch breaks or planning periods. Please give us your child's name, reason for the absence, and how you want the homework handled, whether you will pick it up after 3:00 P.M. and before 6:00 P.M., if it is to be sent home with another student.

Change in Records

Please notify the school office immediately if any information on the student's emergency card changes during the school year. This would include a change of address, phone number, parent's

employment, or emergency phone numbers and other contacts. You may also make changes in Parent Vue, be sure to get your log on information at the beginning of the school year.

Agenda Book

Every elementary student countywide receives an agenda book. In the front of the book you will find the Warrick County Handbook for all students. Parents of every student must fill out and **return the medical records page and the acknowledgement of receipt and review page.** In addition parents of students in **grades 4 and 5 must fill out and return the health/family life page.** These books are great for organizing homework and other activities, including messages to and from the teachers. Look for these books to come home daily with messages from your child's teacher. Use these books often.

Parent Conferences

You are encouraged to confer with your child's teacher periodically to discuss your child's progress and/or problems. We request that you make an appointment for a conference with a teacher before coming to school.

Visitors

Parents and other adults are welcome to visit the school in operation. However, **any visitor during the school day must check in at the school office.** Students are not allowed to invite a student from outside the school to visit their classroom during school hours. There is a computerized check-in program in the front office, please sign-in and out with this computer. If you are interested in volunteering in the school you

must have a CRIMINAL HISTORY BACKGROUND CHECK. Please, check with the office for the proper form.

Phone Calls / Student Use of School Telephone

Students are permitted to use the telephone only for emergencies or by teacher direction. Teachers and students will not be called out of class for calls except in cases of emergency. Messages will be delivered to students at the earliest, least disruptive time.

Lost and Found

Valuable clothing and articles are found at Yankeetown Elementary each year and are never claimed. Owners could be notified easily if items such as coats, sweaters, hats, gym shoes, etc., were labeled with names. Encourage your child to check with his/her teacher and at the office if they have lost something. Items in lost and found will be publicly displayed by the front office. Those items not claimed by the end of the year will be donated to charity.

Activity Calendar

A Breakfast/Lunch menu and an Activities Calendar will be sent home with students on a monthly basis.

Room Parties

The P.T.O. schedules two room parties during the school year. Students are allowed to bring in store bought only treats on their birthdays if their parents so desire. Please notify the student's teacher before bringing the treats.

If your child wants to share a birthday treat with his/her classmates, please bring treats that can be taken out at recess or

check with the classroom teacher. We appreciate your generosity, but please don't expect class time for a party. Students are not allowed to bring party invitations to be passed out during school time, unless the entire class is invited. This could cause hurt feelings to the students that are not invited.

Playground

The playground area is located north of the school. Playground equipment can be found in this area. Games such as tackle football, keep away, dodge-ball, and those games causing physical contact are strictly prohibited. Students should not bring any toys to school unless a written request in the agenda book comes from the teacher. Skateboards, rollerblades, and wheelie shoes are not allowed at school as well.

The best rule of thumb is approximately a credit-card length from the hem of the skirt/short to the top of the knee. Please be advised that stricter rules are applied beginning in fourth and fifth grade. At these grades rules are applied as if they are in junior high or high school.

Discipline Policy

Yankeetown Elementary School administers discipline on a consistent basis with clearly stated expectations for proper behavior. Students can expect fair reprimands or punishment for violations of standards and rules.

curriculum. Student achievement test scores, cognitive skills index (I.Q.), current grade average, and teacher recommendation will be used to make the determination of students who qualify for EXCEL services.

Field Trips

Educational field trips are planned for students. These chaperoned trips are held during the school day with transportation provided. To make the "**Honor Roll**", a student must attain A's, B's, S's, and I's. Additionally, he/she cannot receive any N's in the areas of Conduct or Study/Work Habits.

Any student receiving a U in any area will not be eligible for the Honor Roll.

Athletic

If athletics are to be a part of the general education program of the student, then they must have clear, well-defined objectives. Interscholastic athletics should not have as their primary objective the *entertainment* of the community or student body or the *raising of funds* to support the program or any other phase of the educational process. Too often, these purposes outweigh the worthwhile objectives developed by the administrator and physical educator. The following are the objectives of Yankeetown Elementary athletic program:

1. Create an interest in athletics.
2. Provide an exposure to all types of athletics.
3. Provide the fun and enjoyment of participating in a team sport.
4. Help to develop constructive attitude, loyalty, and dedication.
5. Provide a sense of identification and belonging.
6. Provide a feeling of responsibility to your school and to yourself.
7. Provide for the recognition of effort and excellence.
8. Bring together students, parents, teachers, and the general public in the educational process.
9. Create an atmosphere and respect for hard work.
10. Develop fundamental skills in each sport.
11. Provide a clean and wholesome

attitude and atmosphere in which to compete.

12. Provide a natural outlet for students desiring to participate on teams through the means of competition with other teams of similar ability.
13. Assist in the development of school and student morale.
14. Teach and develop good individual, team, school and community sportsmanship.
15. Provide a situation in which a physically-gifted student will have the opportunity to participate with students who have like gifts.

Cafeteria Procedures

Students will be assigned a Meal Magic account to which they can deposit money to purchase breakfast, lunch, milk, juice, and snacks from the cafeteria. Students will

make deposits to Meal Magic with the Cafeteria. Students may make Meal Magic deposits in any amount and as often as daily in order to keep a positive balance in their meal account. Students will be assigned a short account number, which they will key in when they reach the cafeteria cash register; doing so displays the student's picture and account information to the cashier in order to ensure accuracy.

If your child will not be at school on time but will arrive in time for lunch, it is imperative that you call the school cafeteria **before 9:00 A.M.** so that a lunch can be reserved for your child. Parents are more than welcome to eat lunch with their children. If you would like to have a school lunch with your child please call the cafeteria at 853-8500 at least one day in advance. **You may bring outside lunches (such as fast food or pizzas) for you and your child.**

If you feel that your child qualifies for free lunch, please fill out the free lunch online as soon as possible. Remember - fill out one form per family, not per student.

Important note about allergies - if your child has a food or milk allergy we must have verification from a doctor on file. A new verification is required each year. An appropriate location to eat in the cafeteria will be provided for your child's health.

Breakfast Program

The Warrick County School Food Services want to help the students start their day right by offering the breakfast program again this year. The cost for a paid breakfast is \$ 1.35.

Students who eat breakfast may enter the building at 8:05 A.M. Students who ride a bus should go directly to the cafeteria to eat and then report to their room. Being late to class from breakfast is not an excuse for being tardy.

The following are cafeteria prices for the 2018-2019 school year (tray price includes milk):

Elementary Breakfast Tray-----\$ 1.35

Elementary Lunch Tray-----\$ 2.00

Parents may choose to send lunch money with their children on a weekly, bi-weekly, or monthly basis if preferred. Additionally—if they desire, parents may contact the cafeteria manager to place purchase limits on their child's Meal Magic account—for example, one extra entrée per day, one snack per day, no snack purchases, etc. The cafeteria manager can also provide parents a history of student purchases in necessary instances. You can also go to sendmoneytoschool.com and add money to your child's account.

Student Lunch Charges

Weekly charge slips are issued in the cafeteria for students who forget their lunch money. It is necessary to allow only ONE meal per student to be charged at a time. ****A charge must be paid the next day.****

Birthday Treats

Birthday treats are always fun for your child to share with classmates. The Food & Nutrition Department can prepare your child's birthday treat to make it easier on you. We have two different options available to help your child celebrate his or her special day.

- 1) You may choose to purchase birthday tickets for your child's class which will allow your child's classmates to select a special treat from our "birthday choices" at lunch!
- 2) You may purchase food from the F&N Department and we will deliver it to the classroom for the class to share. Classroom birthday party food orders and payment must be turned in **two weeks in advance**.

If you choose to purchase Birthday Tickets for the class, please send cash or check (checks payable to WCSC Food & Nutrition Department) along with the Birthday Ticket Order Form below one week ahead of your child's birthday. The Food & Nutrition Department will deliver the Birthday Tickets to the class on the day specified below.

Cafeteria Rules

1. Use proper table manners.
2. You may talk quietly with students near you.
3. You may not return to your classroom or to your locker during the lunch period.
4. You must ask for permission to get up from your table.
5. You may go to the restroom **one at a time** after asking for permission.
6. Leave the cafeteria quietly.
