

Tecumseh Athletics Varsity Letter Policy

Beginning 2018-19 School Year

- Letters are awarded for participation in a Varsity sport only. JV participation is not counted towards a Varsity letter.
- Each coach has the discretion to determine who earns a Varsity letter in their respective sports.
- An athlete must earn 2 Varsity letters in one sport or 3 total Varsity letters in multiple sports to qualify for a letter jacket.
- Varsity letters are kept on record in the high school office.
- An athlete must obtain the "Varsity Letter Form" from the office before they can get their letter jacket from All Star Sports in Ferdinand.
- In order for an athlete to receive a Varsity Letter, the athlete must complete the entire season in good standing.
- If an athlete becomes academically ineligible, they may still earn a Varsity letter if they meet all of the criteria established by their coach. Once again, the coach has the discretion to determine if the athlete earns a Varsity letter.
- Team Managers can earn Varsity letters. They must be at all practices and games that the coach requires them to attend. The coach will also be the one to determine if they have earned the letter.
