The camp will be run by coaches with the assistance of high school players. This year's camp will focus on teaching basic volleyball skills: spiking, passing, serving and setting. Game play will only be a major part of camp on the last day (Thursday).

Tecumseh High School has been very competitive due to the dedication of our players who have attended camp here at Tecumseh (and some at other venues as well). The Braves have just completed their 22nd winning season. The caliber of volleyball played at THS will continue to improve as long as the individual players maintain their desire and dedication.
