Dear Parents and Students,

This year, we are allowing students to use electronic readers (e-readers) on campus. While we are excited that students are using new technology to nurture their love of reading, we do have some rules for the appropriate use of these devices.

Rules for using e-readers

1. Warrick County School Corporation is not responsible for lost, stolen, or damaged e-readers. If you bring an e-reader on campus, it is your responsibility to care for it.
2. All e-readers must be labeled with the student's first and last name.
3. Each student is responsible for his/her own e-reader and is not allowed to lend it to another student while on campus.
4. E-readers can be used in class only when the teacher gives the student permission. If a student is using an e-reader at an inappropriate time, the teacher may confiscate it and leave it in the office for the student to pick up after school.
5. E-readers are to be used for reading only unless authorized by the building principal. Any student found to be using his/her e-reader for internet access during class will lose his/her privileges. This means that books must be downloaded off campus, prior to coming to school.
6. E-readers may not be used on campus for audio books unless authorized by the building principal.
7. The privilege to use an e-reader can be revoked at any time.

Enjoy reading!
