

Access Google Meet

1. To join the Google Meet for class each day, you will need to go to the google classroom for that class.

- For directions on how to access Google Classroom, click the "Access Google Classroom" tab.

2. Once you get to the Google Classroom homescreen, click on the class you are needing to join the Google Meet.

3. The link for the Google Meet will appear in the headline of the google classroom.

- Click the link to join the Google Meet for the class.
