

Text to Speech feature:

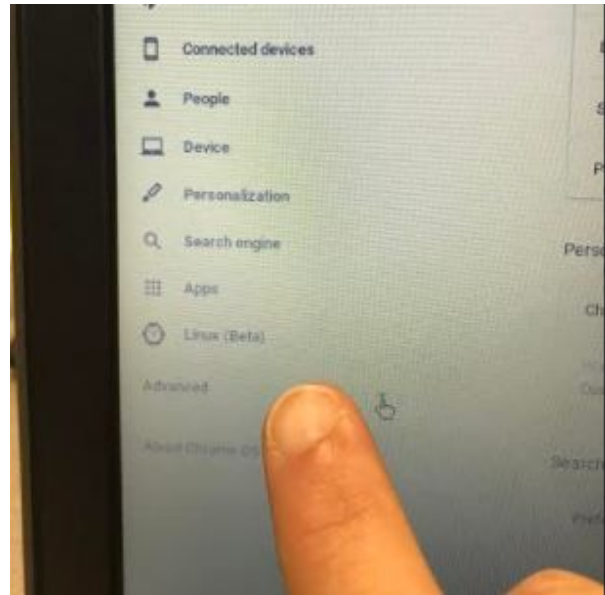

Click on the **time** in the bottom right corner

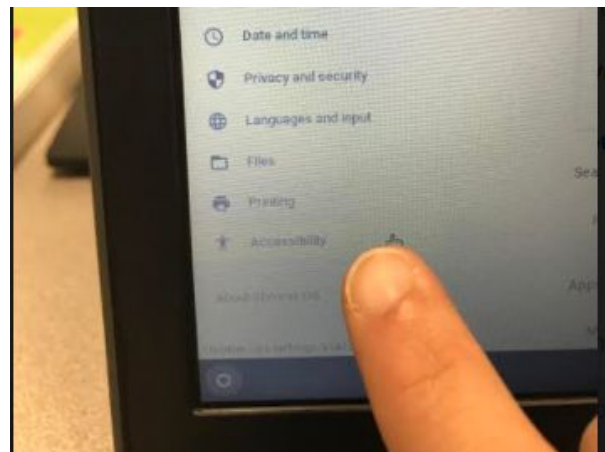

Click on the **Settings** button(looks like a gear)

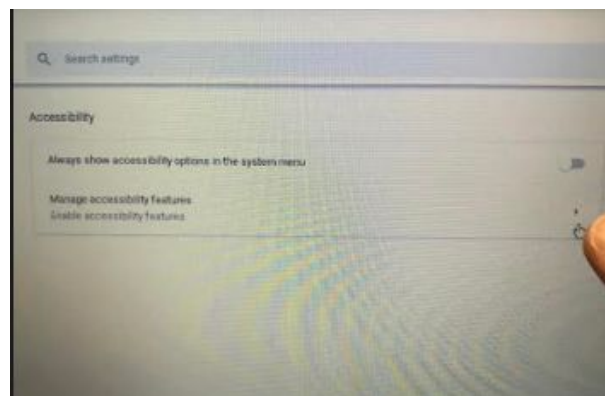

On the left side click on **Advanced**

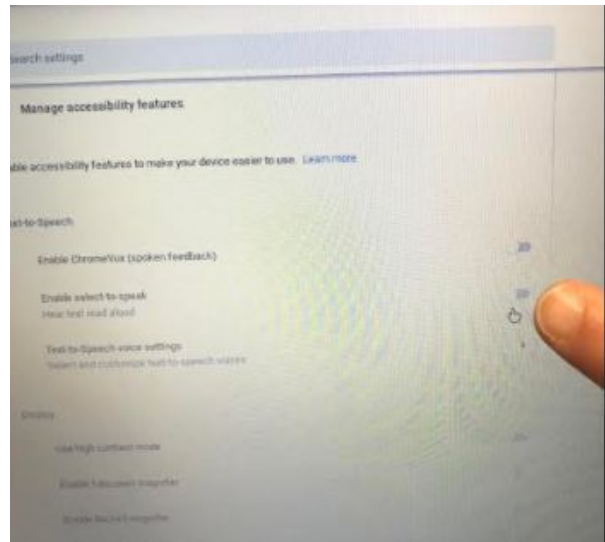

Click on **Accessibility**

Click the **arrow** next to **Manage Accessibility Features**

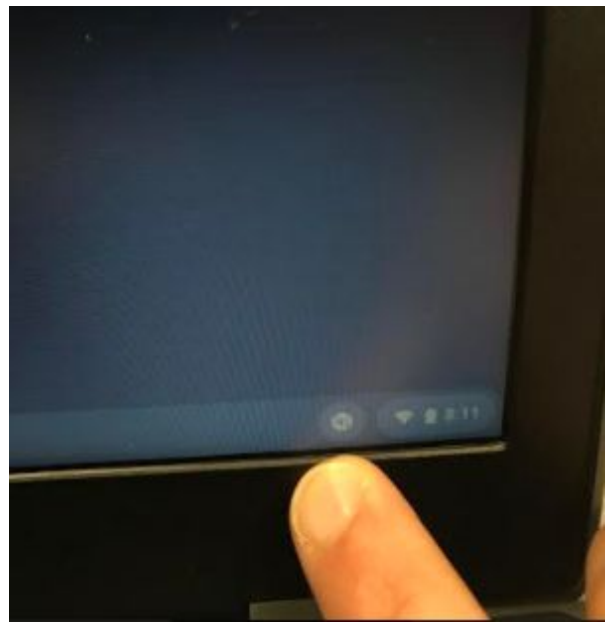

Click the circle to turn on **Enable Select-to-Speech**.

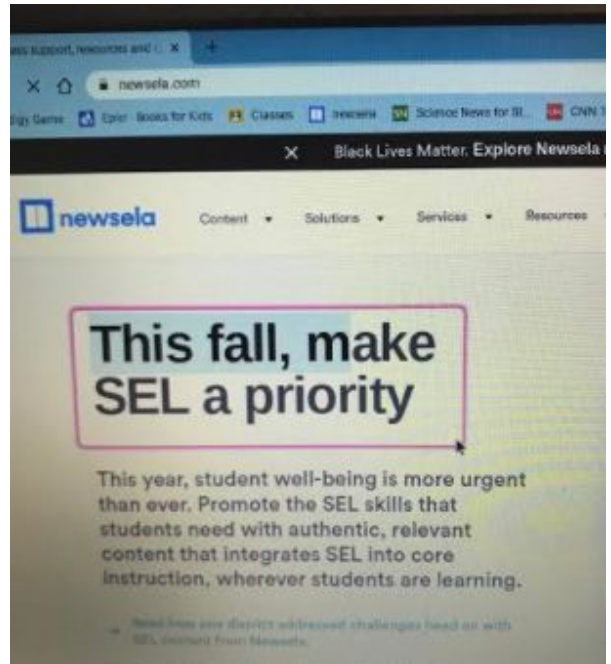

How to use Select to Speech

Step 1: Click the new icon in the bottom right side of the screen looks like a speaker with a line through it.

Step 2: Then click and drag the pink box around the words you want it to read.

You will have to repeat steps 1 and 2 each time you want it to read the text to you.
