GENERAL BUILDING POLICIES -

- Students are not to line up at the classroom door preceding the end of class bell. Stay in your seats
- No sleeping or lying down in classroom.
- No sitting on or lying on top of desk.
- Students may not participate in physical education classes without regulation PE uniform. This includes tennis shoes.
- Students are not to be in the hallway while classes are in session. If a staff member feels it is necessary for a student to pass through the hallway during class time, the teacher is to write the student a pass in the space provided in this agenda book. Students are to place their name on the agenda book and are allowed to use their agenda book in regards to a pass.
- Students are not allowed to leave in pair or groups to make restroom or snack machine trips.
- **All demerits issued by a substitute teacher will become doubled by the administration. Example: insubordination: normally two demerits will be entered as four demerits into the student's record.**

TARDINESS TO SCHOOL - First tardy is a warning, tardies 2-4 will result in 1 demerit each, tardy 5 and above will result in 2 demerits each.

COURSE SELECTION - Students will be given ample time to consult with their counselor, parents, and teachers before making their final course selections for an upcoming year. After May 1, changes to a student's schedule, for either of the following semesters, may be made only for the following reasons:

- Schedule conflicts or errors (missing required course, wrong course, duplicated course)
- To meet a specific graduation requirement or make up a failed course
- To meet a particular college admission requirement (documentation must be provided)
- By teacher recommendation that the class is too advanced for the student
- Medical reasons with documentation
- Change in placement for students with an IEP or 504 Plan with committee approval

Schedule change requests that meet one of the above criteria will be permitted within the first 5 school days of the semester.

VALEDICTORIAN / SALUTATORIAN - The valedictorian and salutatorian will be the students with the highest cumulative grade point average. The valedictorian and salutatorian of the class must have completed eight semesters of high school. The grades from at least four of those semesters must be from Tecumseh High School. The student(s) must earn an Academic Honors or Technical Honors diploma and must complete at least two Advanced Placement courses. This policy begins during the 2016-17 school year for the class of 2020 and thereafter.
