

## Virtual School Etiquette

Below are some helpful hints for having a successful virtual school year.

- Arrive to class on time
- Have your camera on and your microphone unmuted.
- Do not play on your phone during class. No video games or TV watching. We want your full attention!
  - Dress appropriately.
  - Sit at a table in a well lit area.
  - Keep background noise to a minimum.
  - Participate in class discussion.
- If you cannot get logged in or cannot hear the teacher, write the teacher a note in chat and send the teacher an email.
- You should be the only person on camera. Please keep pets and other family members off camera.
  - Treat your virtual classroom like an in person classroom.
  - If you are ill and cannot participate in virtual, please have parent/guardian call school. You will be counted absent for the day of illness.
- If you are having trouble, reach out and ask questions. We are happy to help!
