

Mrs. McGennis's Classroom Newsletter

Week of
January 25th

Skills for the upcoming week:

Phonics: I can write and say all the letters of the alphabet.

Handwriting: I can write my first and last name.

Reading: I can read sentences with words and picture clues.

Math: I can count on from ten using a ten frame.

Sounds of the Week

Students can say all sounds of the letters in the alphabet.

Weekly Words

We are working on words with "ch", "th", "sh", "qu" and "ng" this week.

Reminders:

VALENTINES:

Students may bring in valentines February 8th-9th. The valentines only need to have your child's name signed on them. This way the students will know who their valentines are from. We have 21 students in our class. Mrs. Pierce has asked to not include food/candy with the valentines.

SNACKS:

We are getting low on snacks again. We have enough for the next two weeks, but the pickings are few! Any donations of cheeseballs, crackers, granola bars, goldfish, pretzels, rice krispies, or fruit snacks are gladly accepted.
