**POINT CLUB**—When a student reaches Point Club status, he or she will receive a locker icon aligned with the yearly reading theme. Point Club is essentially the yearly goal divided by nine to illustrate the reading pace which students should set for the school year to reach their grade level reading goal by the end of the year.

**SEMESTER GOALS**—Students who reach the semester goal level for their grade will receive an invitation to participate in the incentive party for that semester. The first semester party will be a skating party at Skate World in Evansville. The “big” end-of-year AR Award party will take place near the end of school year in early May, meaning that yearly points will be tallied at the beginning of the final six weeks or by May 1<sup>st</sup> at the latest. The end-of-year AR Award Party may consist of a Movie Day [on- or off-site], Walther’s Golf ‘N’ Fun party, Inflatables Party, Reading Pizza Party, etc.

**TOP READER AWARDS**—The students who earn the most A.R. points at each grade level will be designated “Top Readers”. These students will be awarded gift certificates for Barnes and Noble or similar literacy-related vendor. The Top Reader in both the primary and upper grades will receive a bicycle at the end of the school year Academic Awards Program.
